I see things inside the puddles no-one else sees
Got they don't got glasses like me, glasses like me

I saw white hands with no bodies float down the hall
When I was small
They can't get me, they can't me

So now I'm caught ___ a personal _____

Now I know it's safe to be a dreamer
I'm safe from all the nightmares now
She's taken all the bad dreams out

Seen the crazy

Stung by the bees, drowned in the seas
All of the dreams

Worry about things, but it won't get me
