"Song For Saying Goodbye"

Put my secrets in the corner
Wait for the time
But time just passes by
Decide upon a sign
Could it ever be known?

I think of all the things I've lost
They're dead and gone and never to be seen
I lean upon a thought
Still clinging onto memories

I put my memories in the corner
Afraid to look, in case they leap up upon
I'll stay clear with what I try

This is my song for saying-
This is my song for saying good-
This is a song for saying goodbye
