I saw a secret place  
Oh yes, show it to me again show me to  
Your secret place  
Oh yes, show it to me again, show it to me.  
I know everybody's got something disgraceful  
Everybody, that's what the sake of  
It looks so pretty in the light  
In the night's light  
Show it to me again, show it to me again,  
Show it to me again, show it to me, oh

I'm sorry about the dark  
Bum, bum, bum, bum, bum [bum]  
I'm sorry about the dark  
Bum, bum, bum, bum, bum [bum]

You breathe (clapclapclap)  
Deeper than I do, (clapclapclap)  
I do. (clapclapclapclap clap)  
He breathes (clapclapclap)  
Deeper than I do, (clapclapclap)  
I do. (clapclapclapclap clap)  
I breathe shallow like I could've spied on spite  
One time I spied on you.

I'm sorry about the dark  
Bum, bum, bum, bum, bum [bum]  
I'm sorry about the dark  
Bum, bum, bum, bum, bum [bum]

Everybody got their lid on tight,  
Everybody says, "Come with me,  
I'm easy, and then we'll see who's got the secrets."  
So if you're looking for romance I got answers  
Where the dancers evidently say, "Come with me,  
I'm easy, and we'll see who is the deepest."  
And everybody got their hair just right,  
And their lips just right, and their eyes say, "Come with  
me,  
I'm easy, and then we'll see who gets the secrets."  
No one has to see, believe me

Oh, I'm sorry about the dark  
Bum, bum, bum, bum, bum [bum]
