I awake and I look down at my sleeping face  
From the cold, persuading melodies  
Want me to join this unreal dance  
An unholy humming that echoes and dies

Can I resist, be torn into laughter  
And can I persist being torn into light  
They want me to join this unreal dance  
That forces my mind just to follow thy will

Anyway  
Anyway must lead out into me  
And anyway, I can't go on crawling  
Anyway, must get rid of it all

Endless halls, dancing shades spinning 'round  
Twisting their skinny limbs, stench of doom I smell  
They want me to join this unreal dance  
And don't want to offer me any further chance

Anyway  
Anyway must lead out into me  
And anyway, I can't go on crawling  
Anyway, must get rid of it all

Careworn, down torn into the swirl of their  
senselessness  
Cosy emptiness  
It wants me to join this unreal dance  
Left alone, anywhere you go you'll be caught in your  
fear again

Anyway  
Anyway must lead out into me  
And anyway, I can't go on crawling  
Anyway, must get rid of it all

Anyway  
Anyway must lead out into me  
And anyway, I can't go on crawling  
Anyway, must get rid of it all  
Anyway
