I don't understand you saying
"Our seas were always rough"
We had to make it up somehow
But years were not enough

I will not praise the times we had
And won't deny that I feel sad
The silence speaks for you and me
While we're dancing

And I don't love you anymore
And we're dancing
You're not the one I'm falling for
But we are dancing

I will not praise the times we had
And won't deny that I feel sad
The silence speaks for you and me
While we're dancing

Look at what we have today
I can't live without you
That's not what I want to say
But it seems so true

I will not praise the times we had
And won't deny that I feel sad
The silence speaks for you and me
While we're dancing

So many good things that we had
Can't help myself I feel so sad
I wish that you would speak to me
While we're dancing

And I don't love you anymore
And we're dancing
You're not the one I'm falling for
But we are dancing

I will not praise the times we had
And won't deny that I feel sad

The silence speaks for you and me
While we're dancing

And I don't love you anymore
And we're dancing
You're not the one I'm falling for
But we are dancing

So many good things that we had
Can't help myself I feel so sad
I wish that you would speak to me
While we're dancing
