Hoping... feeling...
I will come back to you
And hold you in my arms
And I...
I know you're wrong but
I can't change a single thing
It's like it's ment to be!
Inside I feared to find it...
That you cannot stand the fact
I'm not in love with you!
And I...
I've got the feeling
That I've really had enough
It had to end right here!
There was nothing left to lose
Despite the time we've spent...
Nothing left for you
And I...
Still had the feeling
I won't find in you what I still sought
So what am I to do?!
