wait my dear ... no jealousies  
silly thing ... you can't know how i feel  
come take my hand i will show you the flame  
burning secrets, burning wishes ... your name  
don't be insecure, don't be afraid ... i'll hold you tight  
oh, virgin weakness, infinite sweetness ... that's you so  
let's dance  
all alone  
i want to kiss you, want to feel you deep

your silly skin, a tender touch,  
a sign that promises so much  
i want to kiss you, want to feel you deep  
and so we dance  
nothing ever spoils my joy of loving you,  
of looking in your eyes ... i couldn't be that blind  
that i won't crave for you  
and still we dance all alone  
i want to kiss you ...
