Man... I'm so tired of my life right now  
Got stacks and stacks of bills...  
Got bill collectors calling me, harassing me everyday...  
They even call me by my nickname now  
People ask me what's wrong  
I just tell them I got the Williams  
Y'all feel me

[Chorus] 2X

I wish that I could have a second chance  
Take it all away and just call it a day  
But I got bills, problems, all in my way  
What more can I say?  
I got the Williams

All my life they told me, "save your money for a rainy day"  
But I always end up buying things that take the pain away  
From the bills that I can't afford  
permanent credit reports  
the rent that I turned in  
landlord said it was short  
I'm staring at a stack of past due bills  
Wishin I could repossess my own dreams  
Every time the phone rings  
Bills collectors calling and constantly coming after you  
I changed my voice so many times, they think I'm Supernatural  
I said I pay you next week  
Talk about it when we next speak  
The way you bill collectors call it's difficult to get sleep  
You on the phone begging me for money like you desperate  
All you do is look at papers you sit at the fuckin desk with  
I owe you for the bank loan  
I'm sorry if I spent it black  
if you don't want this fifty bucks I'll mail it till you send it back  
temptation really got the best of me for once

now my car payments backed up at least three months  
Damn

[Chorus] 2X

I wish I never had to see another day job, or punch  
another clock  
Or beg the boss so I can go to lunch at twelve o'clock  
I've been slaving overtime here a hell of a whole lot  
Man, this ain't me, that's what I keep telling my own  
pops  
I been working at the same place  
movin at the same pace  
dealin with these rednecks, I gotta keep a same face  
game face on, I need to get a raise to get paid  
Instead my supervisor warning me about my sick days  
I need some credit for the days that I work  
I've walked around this hellhole with my name on my  
shirt  
Dusty and dirty everyday, I need to lease my respect  
Cause child support's already reaching for a piece of  
my check  
You think it's funny, but I'm serious  
There's things we need to talk about  
If I don't get my raise soon, I swear to God I'm walking  
out  
Cause y'all awfully late, I tell you what man  
I'm clocking out and goin home, soon as I come home  
for break

[Chorus] 4X

Yo, I'm tired of changing my voice on the phone man  
These bill collectors really breaking a nigga down right  
now  
Hell, my bills so old... I'm starting to call him William  
now  
Oh y'all don't laugh, cuz some of y'all got the Williams  
too  
I know, it's a shame right?  
I got the Williams  
Just quit my job man  
Ayo Nicolay, we gon need a platinum plaque for this  
one  
I pay for these bills, pay for this studio time  
Hell, pay for these beats man  
Yea, I got the Williams...
