Faded out and just imagining you're higher than the stars

lying down in sweet serenity wish it would take you far

Been overly ambitious for too long searchin' for something new

I want to be a bit conspicuous extraordinary too. "cours

Is this how you will always want to be ,havin' the time of your life?

and then it's seen, that if you don't you will always be the same

and if you do you'r in love."

would like to be the center of attention and be constantly adored

and if this ship has sailed it's final course the throw me overboard

love to find the real you

love to find and fall apart

love to find the real you

nevermind its bad to start

repeat cours 3x's
