Little girl
You're such a tease
Everytime
Aim to please
Checkin' out
Other fellas
You make me mad
You get me jealous

Love the way you walk
Love the way you talk
I'm a sucker when I look in your eyes
You got me
Got me where you want me
You got me
Yoou want me-you got me

Ouch
Really hurts
Everytime
See you flirt
Don't stop
Keep it goin'
You get me up
And you know it

Love the way you walk
Love the way you talk
I'm a sucker when I look in your eyes
You got me
Got me where you want me
You got me
Yoou want me-you got me

Wait a minute
Before you go
One more thing
You gotta know
I'm ready
No doubt about it
You want love

Well I got it

Love the way you walk

Love the way you talk

I'm a sucker when I look in your eyes

You got me

Got me where you want me

You got me

Yoou want me-you got me
