I dig money I dig girls
I'm living it up while I'm in this world
I'm no angel I'm no fool
I'm not bragging I'm just cool

Rock 'n' rollin!
Ooh my soul-
I'm hip!

My phone keeps ringing off the hook
It must be how the way I look
I ain't making no big deal
Man-it's just the way I feel

Rock 'n' rollin!
Ooh my soul-
I'm hip!

I got charm I got class
When I make love it's made to last
I'm no angel I'm no fool
I'm not bragging I'm just cool

Rock 'n' rollin!
Ooh my soul-
I'm hip!
