When you close your eyes  
And go to sleep  
And it's down to the sound  
Of a heartbeat  
I can hear the things  
That you're dreamin' about  
When you open up your heart  
And the truth comes out

You tell me that you want me  
You tell me that you need me  
You tell me that you love me  
And I know that I'm right  
'Cause I hear it in the night

I hear the secrets that you keep  
When you're talking in your sleep  
I hear the secrets that you keep  
When you're talking in your sleep

When I hold you in my arms at night  
Don't you know you're sleeping in the spotlight  
And all your dreams that you keep inside  
You're telling me the secrets  
That you just can't hide

You tell me that you want me  
You tell me that you need me  
You tell me that you love me  
And I know that I'm right  
'Cause I hear it in the night

I hear the secrets that you keep  
When you're talking in your sleep  
I hear the secrets that you keep  
When you're talking in your sleep  
I hear the secrets that you keep  
When you're talking in your sleep  
I hear the secrets that you keep  
When you're talking in your sleep

When you close your eyes  
And you fall asleep  
Everything about you is a mystery

You tell me that you want me  
You tell me that you need me  
You tell me that you love me  
And I know that I'm right  
'Cause I hear it in the night

I hear the secrets that you keep  
When you're talking in your sleep  
I hear the secrets that you keep  
When you're talking in your sleep  
I hear the secrets that you keep  
When you're talking in your sleep  
I hear the secrets that you keep  
When you're talking in your sleep  
I hear the secrets that you keep  
When you're talking in your sleep  
I hear the secrets that you keep  
When you're talking in your sleep
