I'm lying alone with my head on the phone

Thinking of you till it hurts

I know you hurt too but what else can we do

Tormented and torn apart

I wish I could carry your smile in my heart

For the times when my life feels so low

It would make me believe what tomorrow could bring

When today doesn't really know, doesn't really know

chorus

I'm all out of love, I'm so lost without you

I know you were right believeing for so long

I'm all out of love, what am I without you

I can't be too late to say that I was so wrong

I want you to come back and carry me home

Away form these long lonely nights

I'm reaching for you, are you feeling it too

Does the feeling seem oh so right

And what would you say if I called on you now

And said that I can't hold on

There's no easy way, it gets harder each day

Please love me or I'll be gone, I'll be gone

chorus

Oh, what are you thinking of?

What are you thinking of?

Oh what are you thinking of?

What are you thinking of?

*chorus 2x
