BY REO SPEEDWAGON (not Air Supply)

I can't fight this feeling any longer  
And yet I'm still afraid to let it flow  
What started out as friendship has grown stronger  
I only wish I had the strength to let it show

I tell myself, that I can't hold out forever  
I say there is no reason for my fear  
Cause I feel so secure when we're together  
You give my life direction, you make everything so clear

And even as I wonder I'm keeping you in sight  
You're a candle in the window on a cold dark winter's night  
And I'm getting closer than I ever thought I might

And I can't fight this feeling anymore  
I've forgotten what I started fighting for  
It's time to bring this ship into the shore  
and throw away the oars forever  
Cause I can't fight this feeling anymore  
I've forgotten what I started fighting for  
And if I have to crawl upon the floor  
Come crashing through your door  
Baby I can't fight this feeling anymore

My life has been such a whirlwind since I saw you  
I've been running around in circles in my mind  
Baby it always seems that I'm following you  
Cause you take me to the places that alone I'd never find  
And even as I wonder I'm keeping you sight  
You're a candle in the window on a cold, dark winter's night  
And I'm getting closer than I ever thought I might

And I can't fight this feeling anymore  
I've forgotten what I started fighting for  
It's time to bring this ship into the shore

And throw away the oars forever  
Cause I can't fight this feeling anymore  
I've forgotten what I started fighting for  
And if I have to crawl upon the floor  
Come crashing through your door  
Baby I can't fight this feeling anymore
