Graham Russell)

There's a chance you will be there

I'd like to know the truth

I'll find it out somehow

The chances aren't too strong

A chance you will be there

Please be there alone

Help me speak of love

Chances aren't enough

Ones too good to miss

Chances aren't too strong

A Chance is all there is

There's a chance you will be there

Wondering what to do

How to play my role

I'll leave it up to you

If I disguise my smile

It gives too much away

What if we can't speak

What then shall I say

Don't you be too long

Something has gone wrong

The chances are all gone

(Repeat)
