Graham Russell/M. Sherwood/D. Young)

Hot sun, as warm as the kissing of the wind

Footsteps in perfect time

Heartbeat as loud as the whisper in the wood

Hold me, this dance is mine

The dance is mine

We are alone, your love excites me

You are the earth moving inside me

CHORUS

I feel like dancing with the mountain

Feel the rhythm, walking on air

Feel like dancing with the mountain

Feel the rhythm, dancing with the mountain

We climb up into the shelter of the sky

Footsteps on higher ground

Your voice as soft as a river running dry

Hold me, this dance is mine

We are lone, your love's exciting me

You are the earth moving inside me

CHORUS
