EVEN THE NIGHTS ARE BETTER

Air Supply

(J.L. Wallance/Kenneth Bell/Terry Skinner)

I, I was the lonely one

Wondering what went wrong, why love had gone

And left me lonely

I, I was so confused, feeling like I'd just been used

Then you came to me and my loneliness left me

I used to think I was tied to a heartache

That was the heartbreak, but now that I've found you

Even the nights are better

Now that we're here together

Even the nights are better

Since I found you, oh

Even the days are brighter

When someone you love's beside ya

Even the nights are better

Since I found you

You, you knew just what to do

'Cause you had been lonely too

And you showed me how

To ease the pain and
You did more than mend a broken heart
'Cause now you've made a fire start
And I, I can see that you feel the same way
I never dreamed there'd be someone to hold me
Until you told me and now that I've found you
Even the nights are better
Now that we're here together
Even the nights are better
Since I found you, oh
Even the days are brighter
When someone you love's beside ya
Even the nights are better
Since I found you
I never dreamed there'd be someone to hold me
Until you told me and now that I've found you
Even the nights are better
Now that we're here together
Even the nights are better
Since I found you, oh
Even the days are brighter
When someone you love's beside ya
Even the nights are better
Since I found you
