Overnight scenes, dinner and wine

Saturday girls

I was never in love, never had the time

In my hustle and hurry world

Laughing myself to sleep

Waking up lonely

I needed someone to hold me oh-oh-oh

It's such a crazy old town

It can drag you down

Till you run out of dreams

So you party all night to the neon lights

And you don't know what happiness means

I was dancing the dark with strangers

No love around me

When suddenly you found me oh-oh-oh

Chorus

Girl you're every woman in the world to me

You're my fantasy, you're my reality

Girl you're every woman in the world to me

You're everything I need, you're everything to me

Oh girl...

Everything good, everything fine

That's what you are

So put your hand in mine

And together we'll climb

As high as the highest star

I'm living a lifetime in every minute

That we're together

And I'll stay right here forever oh-oh-oh

Chorus
