Here I am

Playing with those memories again

And just when I thought

time had set me free

Those thoughts of you keep taunting me

Holding you

A feeling I never outgrew

Though each and every part

of me has tried

Only you can fill

that space inside

So there's no sense pretending

My heart it's not mending

** Just when I thought

I was over you

And just when I thought

I could stand on my own

Oh baby those memories

come crashing through

And I just can't go on without you

And I just can't go on without

Go on without

It's just no good without you

On my own

I've tried to make the best of it alone

I've done everything

I can to ease the pain

But only you can stop the rain

I just can't live without you

I miss everything about you

Repeat ** until fade
