Graham Russell)

I stand alone, I'm just a face in the crowd
I get lonely if the truth be said
Sometimes I want to cry out loud
But I try to understand instead
I wish I had the strength inside to walk right up to you
I'd never have to hide behind these doubts I know are true

CHORUS

It's not too late to fall in love
Accept your fate, I'm the one you're thinking of
It's not too late, so don't run away
I need you, too, but it's hard for me
So hard for me to say

So I listen for the perfect moment
To rush to you, but my heart's too slow
Everybody here can see me stumble
Better wait until the lights get low
Wish I had the strength inside to walk right up to you
I wouldn't have to hide behind these doubts I know are true

It's not too late to fall in love
Accept your fate, I'm the one you're thinking of
It's not too late, so don't run away
I need you, too

But it's hard for me
Yes, it's hard for me
Yes, it's hard for me
So hard for me to say

CHORUS
