Graham Russell)

I've got your love I don't know how we did it
I don't know why it seemed so long
I've got your love I don't know why you hid it
I've never felt like this before

CHORUS

I won't fall in love
You said it so sure
You haven't noticed you never say that any more

I've got your love
And it's a perfect reason for understanding life some
more

Burnt your fingers before
Burnt your fingers before

I've got your love I don't know how we did it
I don't know why it seemed so long
I've got your love it's such a total feeling
I don't know where it all began

CHORUS

I've got your love
And if I lose all others
I know it wouldn't hurt at all
I've got your love I don't know how we did it
I don't know why it seemed so long

I've got your love, I've got your love
I don't know why it seemed so long
