Really thought that I could live without you

Really thought that I could make it on my own

Sent you away yeah I said I didn't need you

I let you go I let you go I let you go

Now I'm so lost without you

Now you're not here and now I know

(Chorus)

Lonely is the night when I'm not with you

Lonely is the night ain't no light shining through

Till you're in my arms till you're here by my side

Lonely am I

Never thought that I that I would need you

Never thought that I that I'd be missing you

Gotta get you back

I just got to find a way now

To let you know to let you know to let you know

That I'm so lost without you

And now this world it ain't just right

(Repeat Chorus)

I can make it through the day

I can fake it okay

I just smile and pretend

And I tell myself I'll be alright

But lonely is the night

Lonely is the night

(Repeat Chorus
