Graham Russell)

When love is new

And the world is not reaching for you

We try hard to hold it all

In our hands

But it slipped through

Like soft drifting sands

But drying the tears

Can build it all like new

CHORUS

Now and forever

Remember the words

>From my heart will always be true

Now and forever

Together and all that I feel

Here's my love for for you

Learning each day

That the right time was so far away

To tell you the things I knew

Now it's clear

That the moment

We searched for is here

And counting the years

Is all I want to do

CHORUS

Hold me as close

As love will allow

Until all your fears are gone

What has all passed

Is over now

I'm here with you

I'm here with you

I'm holding on

I'm holding on

CHORUS
