Criston Backer - David Moyse)

Seems like yesterday my life had begun

As we went through life trying to make it so much fun

And I know that I'm still in love with you

Because you're one that have but that I can't refuse

Old habits die hard, old habits die hard

Lost restrictions since you've been gone

And it's so hard trying to say that I was wrong

Now I know that I'm still in love with you

Because you're one that have but that I can't refuse

Old habits die hard, old habits die hard

You know and I know

that you can't live on memories alone

There's just one memory that I'm thinking of

Just one habit that I can't shake off

It's you

Old habits die hard, old habits die hard

Old habits die hard, old habits die hard

Now I know that I'm still in love with you

Because you're one that have but that I can't refuse

Old habits die hard, old habits die hard

There's just one memory that I'm thinking of

Just one habit that I can't shake off

It's you

Old habits die hard, old habits die hard

Old habits die hard, old habits die hard
