John Lang/Richard Page/Steve George)

Whenever my mind sees you, girl

I think of the times we owned the world

Crazy in love, I missed the signs

I just couldn't see

I never believed you were leavin' my life

CHORUS

Baby, give us one more chance

So we can love again

There's a time for love, a time to heal

Now it's time for us to mend

Baby, give us one more chance

Let me come back home

I don't wanna run the endless road

Or fight this world alone

You were the diamond in my life

You were the only star in sight

Playin' against the odds, I lost

All that I had

Oh, what was the cost of you leavin' my life

CHORUS

Give us one more chance

It's all that we need

To let the heartache mend, girl

And make a love once broken

Strong again

CHORUS
