Bruce Springsteen)

Sandy, the fireworks are hailin' over Little Eden tonight

Forcin' a light into all those stoney faces left stranded  
on this warm July

own in town the circuit's full of switchblade lovers, so  
fast, so shiney,

so sharp

As the wizards play down on Pinball Way on the  
boardwalk way past dark

And the boys from the casino dance with their shirts  
open like Latin lovers

on the

shore

Chasin' all them silly New York virgins by the score

Sandy, the aurora is risin' behind us

Those pier lights, our carnival life forever

Oh, love me tonight, for I may never see you again

Hey, Sady girl, my baby

Now, the greasers, they tramp the streets or get  
busted for sleepin' on the

beach all

night

Them boys in their high heels, ah, Sandy, their skins  
are so white

And me, I just got tired of hangin' in them dust  
arcades, bangin' them

pleasure

machines

Chasin' the factory girls underneath the boardwalk  
where they all promise

to unsnap

their jeans

And you know that tilt-a-whirl down on the south beach  
drag

I got on it last night and my shirt got caught

And it kept me spinnin' they didn't think I'd ever get off

Sandy, the aurora is risin' behind us

Those pier lights, our carnival life on the water

Runnin', laughin' underneath the boardwalk with the  
boss's daughter

I remember, Sandy girl, my baby

Sandy, the waitres I was seein' lost her desire for me

I spoke with her last night, she said she won't set  
herself on fire for me

anymore

She worked the joint under the boardwalk

She was always the girl you saw boppin' down the  
beach with the radio

Kis say last night she was dressed like a star in one of  
the cheap little

seaside bars

And I saw her parked with her loverboy out on the  
Kokomo

Did you hear, the cops finally busted Madame Marie for  
tellin' fortunes

better than

they do

For me, this boardwalk life's through, you ought to quit  
this scene, too

Sandy, the aurora is risin' behind us

Those pier lights, our carnival life forever

Oh, love me tonight and I promise I'll love you forever

Oh, I mean it, Sandy girl
