J. Kyle/J. Buckingham)

I stopped seeing all of our old friends

I don't go to places that you've been

I stopped talking about you

Started living without you

But there's just one thing I don't understand

CHORUS

How do I stop the tears

How am I supposed to deal with this

How do I stop the tears

Do I get over you in a week or two

When I been lovin' you for years

Everybody thinks that I'm so strong

They don't know what I go through when I'm alone

I start thinkin' about you

Goin' crazy without you

But I stop myself and I hang up the phone

CHORUS

One day you'll call me up goin' crazy

Too late, you'll want me back

You'll be sayin', you'll be sayin'

CHORUS
