SWEET DREAM AIR SUPPLY

This is the time when you need a friend

You just need someone near

I'm not looking forward to the night I will spend

Thinking of you when you're not here

How many times will I think about the things

I'd like to do

Always denied the right to live my life the way I want

I want to share it with you

\*\* Close your eyes I want to ride the skies

In my sweet dreams

Close your eyes I want to see you tonight

In my sweet dreams

I'll think of your kiss as the days roll by

And I'll write the words you love

And what I can't say in a letter

Will just have to wait till I get home

Ooh there's not much time to tell you half the things I  
should

Only that I'm so glad I fell in love with you

And I'd do it again if I could

Repeat \*\* twice

Sleep like a child resting deep

You don't know what you give me I keep

For these moments alone

Repeat \*\* ..... fade
