This the time when you need a friend

You just need someone near

I'm not looking forward to the night

I'll spend thinking of you when you're not here

How many times will I think of the things

I'd like to do

Always denied the right to live my life the way

I want

I want to share it with you

Chorus:

Close your eyes

I want to ride the skies in my sweet dreams

Close your eyes

I want to see you tonight in my sweet dreams

I'll think of your kiss as the days roll by

And I'll write the words you love

What I can't say in a letter

Will just have to wait till I get home

There's not much time to tell you

Half the things that I should

Only that I'm so glad I fell in love with you

And I 'd do it again if I could

Chorus

Sleep like a child resting deep

You don't know what you give me I keep

For these moments alone

Chorus (4x
