THE EYES OF A CHILD

When you look to the past for life's long hidden
meaning

For the dreams and the plans made in your youth

Does the thrill to achieve match the warm hidden
feeling

That lies so still and lives in you

In the eyes of a child there is joy, there is laughter

There is hope, there is trust, a chance to shape the
future

For the lessons of life there is no better teacher

Than the look in the eyes of a child

You've found the place to walk the path you've chosen

You'll never miss the world you've left behind

When life gives life, it's happiness unbroken

When you give love, it's love you'll find

In the eyes of a child there is joy, there is laughter

There is hope, there is trust, a chance to shape the
future

For the lessons of life there is no better teacher

Than the look in the eyes of a child

In the eyes of a child there is joy, there is laughter

There is hope, there is trust, a chance to shape the

future

For the lessons of life there is no better teacher

Than the look in the eyes of a child

In the eyes of a child there is joy, there is laughter

There is hope, there is trust, a chance to shape the
future

For the lessons of life there is no better teacher

Than the look in the eyes of a child.

Than the look in the eyes of a child.
