Brad Buxer/Graham Russell)

One world, one love, these can never be apart

Whisper in your words what is in your heart

How can I stop this emotion knowing that it's true

Am I too sentimental for you

Have I gone too far

If I knew this feeling is part of you too, girl

Midnight, candlelight

Knowing you are close to me

So much I have inside

I've got to set it free

With you silence can be spoken

If love has broken through

Am I too sentimental for you

Have I gone too far

If I knew that this feeling is part of you too, girl

Ooh, sentimental man

Am I saying too much too soon

'Cause I love you

Such a gentle girl

Waiting for you

One love, two touch, we can never be apart

I want you so much for what is in your heart

How can we stop this emotion knowing that it's true

Am I too sentimental for you

Have I gone too far

If I knew that this feeling is part of you too, girl
