No I can't forget this evening  
Or your face as you were leaving  
But I guess that's just the way the story goes  
You always smile but in your eyes  
Your sorrow shows, yes it shows  
No I can't forget tomorrow  
When I think of all my sorrows  
When I had you there then I let you go  
And now it's only fair that I should let you know  
What you should know  
I can't live, if living is without you  
I can't give, I can't give anymore  
I can't live, if living is without you  
I can't give, I can't give anymore
