"Ashes By Now"

Visit "[Ashes By Now](#)" on [MotoLyrics.com](#)

This morning is Monday, where are you now

Teasing my memory, teaching me how to lay low

When I don't want to

Your love is elusive, This i know now

It's makin' me crazy, leaving me out in the open

When I don't want to

Chorus:

Baby, I can't go through this again

I don't need to go down, more than i've already been

Just like a wildfire, you're running all over town

As much as you burn me baby

I should be ashes by now

The moment of pleasure just never do last

They're gone like a suitcase full of your past

Long gone and in a hurry

Repeat Chorus
