When I gave you my heart
It was not what you wanted
Now the walls say your name
And the pictures are haunted.
Does my ring burn your finger?
Did my love weight you down?
Was a promise too much to keep around?
I remember your words
And I can't keep from crying
I could never believe
That your kisses were lies
Was there something from the past
Buried in a shallow grave?
Did you think that it was too far gone to save?
Please tell me baby
Please tell me now
You say that i should just go on
Now please tell me how
Now its just me and the night
And I'm so broken hearted
I just wait in the dark here

For my dearly departed

Did my ring burn your finger?

Did my love weight you down?

Was a promise too much to keep around
