I hope you never lose your sense of wonder

You get your fill to eat

But always keep that hunger

May you never take one single breath for granted

God forbid love ever leave you empty handed

I hope you still feel small

When you stand beside the ocean

Whenever one door closes, I hope one more opens

Promise me you'll give fate a fighting chance

And when you get the choice to sit it out or dance

I hope you dance

I hope you dance

I hope you never fear those mountains in the distance

Never settle for the path of least resistance

Living might mean taking chances

But they're worth taking

Lovin' might be a mistake

But it's worth making

Don't let some hell bent heart

Leave you bitter

When you come close to selling out

Reconsider

Give the heavens above

More than just a passing glance

And when you get the choice to sit it out or dance

I hope you dance

(Time is a wheel in constant motion always)

I hope you dance

(Rolling us along)

I hope you dance

(Tell me who)

I hope you dance

(Wants to look back on their youth and wonder)

(Where those years have gone)

I hope you still feel small

When you stand by the ocean

Whenever one door closes, I hope one more opens

Promise me you'll give fate a fighting chance

And when you get the choice to sit it out or dance

Dance

I hope you dance

I hope you dance

(Time is a wheel in constant motion always)

I hope you dance

(Rolling us along)

I hope you dance

(Tell me who)

(Wants to look back on their youth and wonder)

I hope you dance

(Where those years have gone)

(Tell me who)

I hope you dance

(Wants to look back on their youth and wonder)

(Where those years have gone)
