Never again, again
Once more I'll let you back in
I know how the story ends
But I can't help myself
You'll break my heart I know
Through my tears I'll watch you go
Then just like it's always been
I'll say never again, again
Each time you leave
I say I've had enough
But I must be addicted
To your kind of love
I swear to myself
I'm gonna stand my ground
But one look at you
Breaks my defenses down
And here comes never again, again
Once more I'll let you back in
I know how the story ends
But I can't help myself
You'll break my heart I know

Through my tears I'll watch you go

Then just like it's always been

I'll say never again, again

I swear to myself

I'm gonna stand my ground

But one look at you

Breaks my defenses down

And here comes never again, again

Once more I'll let you back in

And just like it's always been

I'll say never again, again

And just like it's always been

I'll say never again, again
