Grandad George said the heroes are the ones that run  
away,  
But I wear no medals I'm sprawled in a toilet on my  
birthday,  
Welcome to my circuitboard city of yellow and black,  
We all score WD40 so our hearts dont crack,  
I must admit I need a speedbump,  
To slow down my higher brain.

Have a dance,  
Have a drink,  
Suppress it back ruin everything,  
Have a dance,  
Have a drink,  
Suppress it back ruin everything tonight,  
Lets ruin everything tonight.

Ive got a note,  
Ive got a note, from my doctor,  
So please release me from your rat-race melodrama,  
Ill throw a spanner in the works,  
I want more chaos of this order,  
Ill throw a spanner in the works,  
I want more chaos of this order,

Have a dance,  
Have a drink,  
Suppress it back, ruin everything  
Have a dance,  
Have a drink  
Suppress it back, ruin everything  
Have a dance,  
Have a drink  
Suppress it back, ruin everything  
Have a dance,  
Have a drink,  
Suppress it back, ruin everything tonight  
Can't wait to wallow in self pity  
In my circuit board city tonight  
I can't wait to wallow in self pity  
In my circuit board city tonight  
I can't wait to wallow in self pity

In my circuit board city tonight  
I can't wait to wallow in self pity  
In my circuit board city tonight
