I've just had a craziest week  
Like a party bag of lies, booze and then deceit  
And I don't know why I want to voice this out loud  
It's therapeutic somehow

So, I'm moving to New York  
'Cos I've got problems with my sleep  
And we're not the same  
And I will wear that on my sleeve

So, I'm moving to New York  
'Cos I've got issues with my sleep  
Looks like Christmas came early  
Christmas came early for me

I put one foot forward and ended up 30 yards back  
And am I loosing touch or am I just completely off the track?

And I don't know why I want to voice this out loud  
It's therapeutic somehow

So, I'm moving to New York  
'Cos I've got problems with my sleep  
And we're not the same  
And I will wear that on my sleeve

So, I'm moving to New York  
'Cos I've got issues with my sleep  
Looks like Christmas came early  
Christmas came early for me

So, I'm moving to New York  
'Cos I've got problems with my sleep  
And we're not the same  
And I will wear that on my sleeve

So, I'm moving to New York  
'Cos I've got issues with my sleep  
Looks like Christmas came early  
Christmas came early for me
