This is my first wedding, can I hope it is my last?  
Things would be fantastic if me and the bride didn't  
have a past  
So, I stand by the buffet and submerge myself in brie  
I'm tactically positioned, yeah, because the bar is near  
And the champagne's for free

This is my first wedding, can I hope it passes quick?  
If I've got no feelings for her then why is my stomach  
feeling so sick?  
As they dance to their soppy song, I pray it isn't love  
'Cause she's my heartless bitch that I just can't seem to  
get enough of

She's not that beautiful, she's not that beautiful  
She'll steal your mind first then your car  
She's not that beautiful, she's not that beautiful  
Blame it on an evil twist of fate that she created from  
the start

Just one more single malt then it's off to bed for me  
My head is spinning 'round and my legs are break  
dancing  
(He's pissed)  
I only meant to say farewell but I spilt more than my  
drink  
I can't remember exactly what I said  
But I remember being chased up the street

She's not that beautiful, she's not that beautiful  
She'll steal your mind first then your car  
She's not that beautiful, she's not that beautiful  
Blame it on an evil twist of fate that she created from  
the start

She's not that beautiful, she's not that beautiful  
She's not that beautiful, she's not that beautiful  
She's not that beautiful, she's not that beautiful  
She's not that beautiful, she's not that beautiful

She's not that beautiful, she's not that beautiful  
She's not that beautiful, she's not that beautiful

She's not that beautiful
