Nice and easy ooh how you please me
you've got a love that's really real
Sweet and spicy, come on and touch me
You know the way I like to feel.

(chorus)

No one can move me, no one can groove me like you
do,
Yeah, you pull me up now, when I'm getting down with
you
Do it, do it , do it , do it , yeah
Come on and do it to me

Tantalizing... so appetizing
You've got me hungry for your love.
Sweet as honey, yeah, ooh how you love me, baby
you keep me coming back for more.

(chorus 2x)

come on, baby...
hold me tight...
do it do it yeah...
