I'm a little bit in love  
Never felt this way before  
Just a little bit in love  
Or perhaps a little bit more

When he looks at me  
Every thing's hazy and all out of focus  
When he touches me  
I'm in the spell of a strange hocus-pocus

It's so, I don't know  
I'm so, I don't know  
I don't know but I know  
If it's love then it's lovely

It's so nice to be alive  
When you meet someone who bewitches you  
Will he be my all or did I just fall  
A little bit, a little bit in love?

When he looks at me  
Every thing's hazy and all out of focus  
When he touches me  
I'm in the spell of a strange hocus-pocus

It's so, I don't know  
I'm so, I don't know  
I don't know but I know  
If it's love then it's lovely

It's so nice to be alive  
When you meet someone who bewitches you  
Will he be my all or did I just fall  
A little bit, a little bit in love?
