Take it from me  
In Dublin's fair city  
There's none half so pretty  
As pretty Eileen

Take it from me  
The mayor of Shannon  
Would shoot off a cannon  
And crown ye the queen

Darlin' Eileen, darlin' Eileen  
Fairest colleen that ever I've seen  
And it's oh I wish I were back  
In the land of the green with my darlin' Eileen

I've seen them all  
There's Bridget and Sheila  
There's Kate and Delilah  
And Moll and Maureen

I've seen them all  
Not one can compete with  
Or share the same street with  
My darlin' Eileen

Darlin' Eileen, darlin' Eileen  
Fairest colleen that ever I've seen  
And it's oh I wish I were back  
In the land of the green with my darlin' Eileen

Listen my lads, I've something to tell you  
I hope won't impel you to cry and to keen  
Mother's a Swede and father's a Scot  
And so Irish I'm not and I never have been

Hush you, Eileen, hush you, Eileen  
Fairest colleen that ever I've seen  
Don't you hand us none of that blarney  
You come from Kilarney, you're Irish Eileen

Eileen
