down the avenue  
hear him coming boom, boom, boom  
here to save the day  
got the hatchback open  
eardrums exploding  
help is on the way

(ch)  
you hear him coming  
ten blocks away  
that's you signal to  
make your getaway  
by the time  
he's on the scene  
you've gotten away  
scot free

he's a new kind of hero  
for a nation of deaf people  
he can't catch a crook  
1000 watts of power  
can't help curb evil  
he might as well give up
