this is the song that we play
after we take a break
\$20 an hour is the rate
the second half songs they do await

this is the song that we play
after we take a break
the studio opened up late
someone ignored the railroad crossing gate

(ch)
i'm sick of the cacophony
from the hardcore band next door
i'll scream if i hear another dylan song
from the polish girls down the hall

it's time to plug back in
turn the amps back up to 10
we'll drown out their noise
seperate the men from the girls and boys
