"the song we play before the break"

Visit "[the song we play before the break](#)" on MotoLyrics.com

this is the song that we play
before we go and take a break
there's no good reason for this song
but it's under a minute long
we used to break after willy the car
but now we will play just one more
we'll add another song to our set
and barely have to break a sweat

when break time arrives
we will all relax
insult each other's mothers,
wives or kids or cats
some of us will have a smoke
and some will have a drink
some will have a pretzel
or a shot of insulin
