Come and look out through the window
That big moon is shining dow-own
Tell me now don't it remind you
Of a blanket on the grou-ound
Remember back when love first found us
And we'd go slipping out of tow-own
And we loved beneath the moonlight
On a blanket on the grou-ound

I'll get the blanket from the bedroom
And we'll go walking once agai-ain
To that spot down by the river
Where our sweet love first bega-an
Just because we are married
Don't mean we can't slip arou-ound
So let's walk out by the moonlight
And lay the blanket on the grou-ound

Oh, remember how excited
We used to get when love was you-oung
That old moon was our best buddy
We couldn't wait for night to co-ome
Now you know you still excite me
I know you love me like I a-am
Just once more I wish you'd love me
On a blanket on the grou-ound

I'll get the blanket from the bedroom
And we'll go walking once agai-ain
To that spot down by the river
Where our sweet love first bega-an
Just because we are married
Don't mean we can't slip arou-ound
So let's walk out by the moonlight
And lay the blanket on the grou-ound

Mm-mm-mm-mm... [till end]
