When my life gets like a ji-igsaw
With the pieces out of place
Come o-o-o-on over
Put a smile back on my face
And if all my bad days came at once
You would know just what to do
Come o-o-o-on over
Baby, you would see-ee me through

And if you think I need you
Come o-on o-over
Bring your love arou-ound
You can dry away my tears
And if you think I need you
Come o-on o-over
Lay your body dow-own
For you know I will be here
So bring your love arou-ound

And when I cannot see in front of me
And I've known my darkest day-ay
Come o-o-o-on over
You can take it a-all away

And if you think I need you
Come o-on o-over
Bring your love arou-ound
You can dry away my tears
And if you think I need you
Come o-on o-over
Lay your body dow-own
For you know I will be here
So bring your love arou-ound

If you think I need you-ou-ou-ou
Come on o-over
