Shine on me sun, sure walk with me world
It's a skippedee-dooda day
I'm the happiest gir-irl in the whole USA

Good mornin' mornin', hello sunshine
Wake up sleepy head
Why move that Beau-jangle clock
So far away from the bed?
Just one more minute, that's why we moved it
One more hug or two
Do you love wakin' up next to me
As much as I love wakin' up next to you?

You make the coffee, I'll make the bed
I'll fix your lunch and you fix mine
Now tell me the truth
Do these old shoes look funny, honey it's almost time
Now you be careful, although I love you
Have a beautiful day
Kiss the happiest girl in the whole USA

Skippedee-dooda, thank you Lord
For makin' him for me
And thank you for lettin' life turn out the way
I always knew it could be
There once was a time I could not imagine
How it would feel to say
I'm the happiest gir-irl in the whole USA

Now shine on me sun
Sure, walk with me world
It's a skippedee-dooda day
I'm the happiest gir-irl in the whole USA
