Please come to Boston for the Springtime
I'm stayin' here with some friends and they've got lots
of room
You can sell your paintings on the sidewalk
And the caf where I hope to be workin' soon
Please come to Boston, She said No, you come home to
me

City ramblin' boy now won't you settle down
Boston ain't your kind of town
There ain't no gold and there ain't nobody like me
And I'm the number one fan of the man from
Tennessee

Please come to Denver with the snowfall
Move up into the mountains so far we can't be found
Throw "I love you" echoes down the canyons
And lie awake at night until they come back around
Please come to Denver, She said no, you come home to
me

City ramblin' boy now won't you settle down
Denver ain't your kind of town
There ain't no gold and there ain't nobody like me
And I'm the number one fan of the man from
Tennessee

Now this drifter's world goes 'round and 'round
And I doubt that it's ever gonna stop
But of all the dreams I've lost and found
And all that I ain't got, I still need to cling to, Someone
to sing to

Please come to LA to live forever
California love alone is just too hard to build
Live in a house that looks out over the ocean
There's some stars that fell from the sky
That live up on the hill
Please come to LA, She said No, you come home to me

City ramblin' boy now won't you settle down

LA can't be your kinda town
There ain't no gold and there ain't nobody like me
And I'm the number one fan of the man from
Tennessee
And I'm the number one fan of the man from
Tennessee
