I beg your pardon
I never promised you a ro-ose garden
Along with the sunshine
There's got to be a little rai-ain sometime
When you take you got to give
So live and let live or let go-oh-oh-oh-oh
I beg your parden
I never promised you a ro-ose garden

I could promise you things like big diamond rings
But you don't find roses growin' on stalks of clover
So you better think it o-over
Well if sweet talkin' you could make it come true
I would give you the world right now on a silver platter
But what would it ma-atter
So smile for a while and let's be jolly
Love shouldn't be so meloncholy
Come along and share the good times while we ca-a-a-
an

I beg your pardon
I never promised you a ro-ose garden
Along with the sunshine
There's got to be a little rai-ain sometime

I beg your pardon
I never promised you a ro-ose garden
I could sing you a tune
And promise you the moon
But if that's what it takes to hold you
I'd just as soon let you go
But there's one thing that you should know

You'd better look before you leap, still waters run deep
And there won't always be someone there to pull you
out
And you know what I'm talkin' about
So-oh smile for a while and let's be jolly
Love shouldn't be so meloncholy
Come along and share the good times while we ca-a-a-
an

I beg your pardon
I never promised you a ro-ose garden
Along with the sunshine
There's got to be a little rai-ain sometime
When you take you got to give
So live and let live or let go-oh-oh-oh-oh [fade]
